# AttiCat®

EXPANDING BLOWN-IN  
INSULATION SYSTEM

# WITH OWENS CORNING INSULATION PRODUCTS YOU CAN SAVE UP TO 20%\* ON HEATING & COOLING COSTS

## AttiCat® Loosefill

Maintain energy-saving R-value over time for increased comfort and lower energy bills

## raft-R-mate® Attic Rafter Vents

Keeps insulation away from vents, allowing air flow to help protect roofs, reduce attic temperature and prevent ice dams

## Attic Stairway Insulator

Insulate pull-down stairs to R10

## AttiCat® 3" Wall Plugs

Properly plug holes from side-wall reinsulation

## Garage Door Insulation Kit

Improve garage comfort with easy to install R8 panels (for uninsulated metal doors)

## Multipurpose Insulation

- Window frames
- Door frames
- Plumbing penetrations
- Ductwork & penetrations

## Attic Hatch Insulator

Insulate attic hatch panels to R30

## SmartCap® Recessed Light Cover

- Easy to install
- Protects recessed lights from heat build-up
- Meets Class A fire rating

## Foam Sealant

- Gaps & Cracks - Seals gaps less than 1 inch
- Big Gap Filler - Seals gaps greater than 1 inch
- Fireblock - For penetrations where ICC-ES is required by code

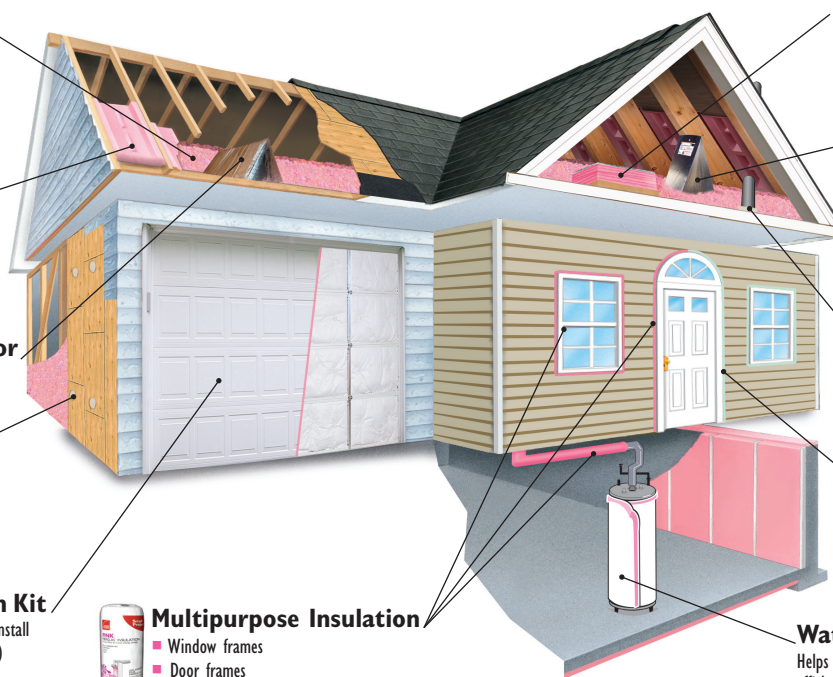

## Foam Sealant

- Window & Door Low pressure foam sealant. Safe for window & door frames

## Water Heater Blanket

Helps make your water heater more efficient, so water stays hotter longer

\* By insulating and air sealing. For more information go to: [http://www.energystar.gov/index.cfm?c=home\\_sealing.hm\\_improvement\\_methodology.Savings\\_vary](http://www.energystar.gov/index.cfm?c=home_sealing.hm_improvement_methodology.Savings_vary). Find out why in the seller's fact sheet on R-values. Higher R-values mean greater insulating power. Pub. No. 10017673. Printed in U.S.A. August 2012.
