BREATHE.

Home sweet home.

Home is where you want to feel the most comfortable and protected. It can be a source of pride and an expression of your personality. But when the time comes to purchase a new roof, it's easy to feel overwhelmed.

Don't worry. Owens Corning Roofing and your contractor are here to help. We take pride in being America's most trusted Roofing Brand,** and we'll make it easy for you to select the right shingle for your type of home and sense of style.

By choosing **Woodmoor**[®] or **Woodcrest**[®] Shingles, you can transform your entire home with a natural, wood-shake look that will last for years to come. This is your chance to choose a roof that not only has outstanding performance and protection, but also provides exceptional beauty and comfort. So you'll feel right at home every time you pull in the driveway.

Protected. Proud. Home.

A brand built on trust.

When it comes to an investment like a new roof, you of course want a good value for your money. You can feel confident about choosing our roofing products — Owens Corning has

been a recognized leader in the building materials industry for over 75 years. We're known for making homes more comfortable, beautiful and durable. And it's likely you've invited our mascot, The Pink Panther,[™] into your home already — our building products and PINK[®] Insulation have been used in millions of homes across the country.

A job well done.

Part of the peace of mind that comes with a new roof is the knowledge that it was installed properly. So it's smart to hire a professional roofing contractor who offers proven experience and a written estimate. It's a good idea to shop around — see what a few different contractors have to offer in terms of their experience and referrals, as well as in their approach to installation and pricing.

As you weigh your contractor options, consider using an Owens Corning Roofing Platinum or Preferred Contractor — independent contractors who have been accepted into our network because they meet our strict program criteria.
