2016 FASHION SEASON & ROOF COLOR PAIRINGS

PERFECTLY PUT TOGETHER YOUR COLOR, YOUR STYLE
A PERFECT PAIRING
Owens Corning and PANTONE® fashion colors

What is it about color that makes it so universal and yet so intensely personal?

Color reflects the mood of a particular time and place (think pink bathroom tile and avocado appliances) and taps into a kaleidoscope of emotion to provide a deeply satisfying vehicle for self-expression.

The exterior of your home isn’t solely defined by the brick, siding or shingles on it, but by the colors, textures and accessories all around it. To help inspire your own style, we’ve teamed up with the global authority in color, Leatrice Eiseman, Executive Director of the Pantone Color Institute™.

Select colors from each season’s PANTONE® Fashion Color Report are paired with Owens Corning® TruDefinition® Duration® Series Shingles to provide a fashion-forward foundation you can use to create a home that is perfectly put together, and uniquely you.

Look closely. You’ll see that each colored tab is, in fact, a rich and complex mosaic of colors. Every Owens Corning shingle color is the result of a meticulous formulation process. Our own team of color specialists creates unique blends of colored granules designed to pair beautifully with a wide range of exterior colors.

COLOR IS SUCH AN ENORMOUS INFLUENCE IN OUR LIVES.
It can make us feel happy, it helps welcome us and feel more at one with our surroundings.

Sedona Canyon

Front Cover: PANTONE® Serenity with color granules from TruDefinition® Duration® Designer shingles in the color of Sedona Canyon.
Inspired by nature, Owens Corning Sedona Canyon is warm and reminiscent of real wood shake shingles, but much more nuanced. Burnt umber, chestnut and butterscotch hues mingle with a twist of calming blue to deliver a color experience that is both grounded and versatile, no matter the season.

A TRANSPORTING AND TRANSFORMATIVE CANVAS

Colors this season transport us to a happier, sunnier place where we feel free to express a wittier version of our real selves. With our culture still surrounded by so much uncertainty, we are continuing to yearn for those softer shades that offer a sense of calm and relaxation. Vivid brights give way to excitement and optimism, though quiet stability prevails in this season’s palette.

SPRING 2016
FIESTA & MERLOT

Strong and fiery, the vivid Fiesta is a yellow-based red that provides a high-energy contrast to this season’s palette. Merlot shingles, featuring rich burgundy and hints of blue and cool charcoal, are the perfect companion.
SPRING COLLECTION

Color connects us to our surroundings and influences how we feel. The talk of color is heightened each season as the latest fashion color trends are unveiled by the Pantone Color Institute™. These fashion colors can be used to express yourself on the exterior of your home, too. Let our roof and fashion color pairings inspire you to bring your own style to life.

A UNITY OF STRENGTH, CONFIDENCE AND COMPLEXITY

The desire for tranquility, strength, and optimism has inspired a Fall 2016 color palette.

Along with anchoring earth tones, exuberant pops of vibrant colors also appear throughout the collections. Transcending gender, these unexpectedly vivacious colors in our Fall 2016 palette act as playful but structured departures from your more typical fall shades.

Blue skies represent constancy as they are always above us. Grays give a feeling of stability; Red tones invite confidence and warmth, while Spicy Mustard Yellows suggest a touch of the exotic.
