WOODMOOR® Shingles

Natural beauty made even better.

Bold, rustic **Woodmoor®** Shingles are designed to transform your home with the extra-thick dimension and rich texture reminiscent of wood shake but with greater durability and less maintenance. They also offer peace of mind by meeting the highest fire-resistance standards in the industry. Best of all, Woodmoor® Shingles are available in six distinctive color blends that are inspired by nature but not limited by it — giving your roof a pop of color you can't get from real wood. To add even more dimension and style to your home, be sure to pair your Woodmoor® Shingles with our color-matched Owens Corning® Hip & Ridge Shingles.

- Limited Lifetime Warranty^{*/‡} for as long as you own your home
- 110/130^{**} MPH Wind Resistance Limited Warranty^{*}
- StreakGuard™ Protection with a 10-year Algae Resistance Limited Warranty.^{*}

Home sweet home.

Home is where you want to feel the most comfortable and protected. It can be a source of pride and an expression of your personality. But when the time comes to purchase a new roof, it's easy to feel overwhelmed. Don't worry. Owens Corning Roofing and your contractor are here to help. We'll make it easy for you to select the right shingle for your type of home and sense of style. You can feel confident about choosing our roofing products — Owens Corning has been a recognized leader in the building industry for over 75 years. And we take pride in being America's most trusted roofing brand.^{‡‡}

By choosing Woodmoor® Shingles, you can transform your entire home with a natural, wood-shake look that will last for years to come. This is your chance to choose a roof that not only has outstanding performance and protection, but also provides exceptional beauty and comfort. So you'll feel right at home every time you pull in the driveway.

Protected. Proud. Home.

TOTAL PROTECTION. TOTAL CONFIDENCE.®

The most important part of the roof?
All of them.

It takes more than just shingles to protect a home. It takes an integrated system of components and layers designed to withstand the forces of nature outside while controlling temperature and humidity inside. The Owens Corning® Total Protection Roofing System®^ gives your customers the assurance that all of their Owens Corning® roofing components are working together to help increase the performance of the roof — and to enhance the comfort and enjoyment of those who live beneath it.
