Limited Warranty on Roofing Shingles

Limitations on the transferability of this warranty are set forth herein.

Introduction
Thank you for your recent purchase of roofing shingles manufactured by Owens Corning Roofing & Residential Products LLC (“Owens Corning”). We believe we manufacture the highest quality and most attractive shingles available anywhere, and that is why we stand behind them with one of the best warranties in the industry. We have attempted to write this warranty in clear, concise language, including the limitations and restrictions, so you will fully understand the warranty we are making to you. However, the terms contained herein are subject to change without notice. If anything in this warranty is not clear to you, please call us at 1-800-ROOFING or visit our Web site at www.owenscorning.com.

Who is Covered
If you live in the United States or Canada and you are the original consumer purchaser, i.e., the homeowner, the installer or contractor of the first transferee of the original consumer purchaser of one of our shingle products listed below, you are entitled to the benefits of this warranty. For this warranty to be transferred, the homeowner must complete and return the attached Warranty Transfer Card, along with a transfer fee of one dollar ($1.00) per square of shingles to Owens Corning.

Transferability of This Warranty
You can transfer this warranty one time, anytime during the life of the warranty. For Duration™ Premium shingles, the warranty will be transferred to the purchaser of your home under the terms and conditions of this warranty as a fifty (50) year limited warranty. See the chart at the end of this warranty for the specific warranty period that applies to your shingles. For this warranty to be transferred, the homeowner must complete and return the attached Warranty Transfer Card, along with a transfer fee of one dollar ($1.00) per square of shingles to Owens Corning.

Who Is Covered

Duration Premium shingles offered by this warranty applies to individual homeowners only. We provide the homeowner(s) who purchases the Duration Premium shingles under this warranty with the best product available. If you have any questions about appropriate ventilation requirements, please contact us at 1-800-ROOFING.

Long and Sure Warranty:
We warrant that your Owens Corning shingles are free from any manufacturing defects that materially affect their performance on your roof.

What Is Not Covered

Damage to or failure of the shingles as a result of damage to or the failure of the underlying roofing structure;

2. Damage to the product due to conditions and handling beyond our control that could affect their performance. This warranty does not cover any problems caused by unlisted or defective conditions.

3. Faint or unusually high temperature caused by objects (such as tree branches) falling on your roof;

4. Improper or faulty installation of your shingles. Installation must be in accordance with our written installation instructions;

5. Discoloration caused by algae, fungi, lichen or cyanobacteria (unless covered under the section “What About Algae Resistance” that follows):

6. Inadequate ventilation or roof drainage. If you have any questions about adequate ventilation requirements, please contact us at 1-800-ROOFING;

7. Replacement of the roof of your home or building or cracking of the deck over which your shingles are installed;

8. Damage to the shingles caused by alterations made after completion of application, including structural changes, equipment installation, painting, or the application of cleaning solutions, coatings, or other modiﬁcations;

9. Labor costs incurred after the TRU® Prosection coverage period has expired, and;

10. Any costs that you incur that are not authorized in advance by Owens Corning.

What Is Your Remedy

1. TRU® PROsection Coverage Period—During the TRU® Prosection coverage period of this warranty, Owens Corning (i.e., Owens Corning, Inc. or one of its authorized retailers) will pay all or a portion of the costs, as reasonably determined by Owens Corning, to repair, replace or restore defective shingles, subject to certain limitations. Specifically, we will not pay for any metalwork, flashings or other related work, and we will not pay for any new accessories or replacement shingles unless they are required due to the defect in your shingles. See the chart at the end of this warranty for the TRU® Prosection coverage period of the shingles you have purchased.

2. Prorated Period—Once the TRU® Prosection coverage period of this warranty has expired, material will be covered, but labor will not be covered, and we will take into account the number of months of use you have enjoyed through the date of your claim, and reduce the amount of our payment to you accordingly. That is, we will prorate the amount of your payment through the date of your claim.

For Duration Premium shingles, beginning in year eleven (11), we will pay you 80% of material costs as reasonably determined by Owens Corning to repair and/or replace the defective product. For each year thereafter, that amount will decrease by 2% until year forty (40). Beginning with year forty-one (41), and continuing through the end of the warranty period, Owens Corning will pay you 20% of the material costs.

3. Exceptions—At all times, Owens Corning’s obligation to pay for repair or replacement of the defective product is subject to certain limitations. Specifically, all material costs must be preapproved by Owens Corning and Owens Corning retains the right to provide materials in lieu of compensation. Additionally, Owens Corning will not pay for any accessories or other related work.

What About Wind Resistance

Your shingles contain strips of asphalt sealant that require direct warm sunlight for several days in order to seal properly. If your shingles are installed during a period of cool weather, they may not adhere properly to the roof surface. If this occurs, Owens Corning will not be responsible for any replacement or repair. Owens Corning will cover the cost of labor, including necessary labor charges for the replacement or repair. Owens Corning will prorate your costs to reflect the number of months of use that you have enjoyed through the date of your claim. For example, if you make your claim in the third month of the 10th year of the AR Warranty Period, Owens Corning will prorate your costs to the number of months of use that you have enjoyed through the date of your claim, and reduce the amount of our payment to you accordingly.

To make a claim under this warranty, you need to do so within thirty (30) days after you discover the problem. Just call us at 1-800-ROOFING or send us a letter addressed to Owens Corning Customer Response Center, One Owens Corning Parkway, Toledo, Ohio 43659. Explain the problem and include proof of purchase for the shingles and the date they were installed on your roof. Shortly after we receive your communication, we will contact you regarding your claim and will walk you through the entire process. To fully evaluate your claim, we may ask you to provide, at your expense, pictures of your shingles and/or shingle samples for us to test. If you have any questions, do not hesitate to write us at the address above, call 1-800-ROOFING or visit our Web site at www.owenscorning.com.
