We warrant that your Owens Corning™ shingles are free from any manufacturing defects in materials and workmanship. This warranty does not cover any problems with nondefective shingles caused by conditions beyond the control of Owens Corning, LLC ("Owens Corning"). We believe we manufacture the highest quality and most attractive shingles available anywhere, and that is why we stand behind them with one of the best warranties in the industry.

If anything in this warranty is not clear to you, please call us at 1-800-ROOFING or visit our Web site at www.roofing.owenscorning.com. ©2012 Owens Corning.

What Is Covered.

If your Owens Corning™ shingles are defective in material or workmanship, we will pay for the reasonable cost of:

- Repairing your shingles and the associated material and labor costs, as reasonably determined by Owens Corning.
- Removing and disposing of any defective shingles.
- Installing replacement shingles.

Exceptions

Owens Corning will be liable only for the reasonable cost of replacing blown-off shingles if they are:

- Lost due to weather or wind.
- Lost during a fire or hurricane.
- Lost due to acts of God, such as hail, strong storms (hurricanes) or winds over the maximum rated wind speed for the shingle.

What Is Not Covered.

We do not warrant any work you perform or authorize to be performed by any person other than an Owens Corning contractor or Owens Corning representative. We will not pay for any underlayment, metalwork, flashings or other related work, and we will not pay any underlayment, metalwork, flashings or other related work.

Our obligations as set forth in this warranty are limited to the above and are not extendable in any way. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

Under the terms of this Limited Warranty on Roofing Shingles, the manner of payment is at our discretion. We will not cover the cost to remove or dispose of your shingles. The labor costs, as reasonably determined by Owens Corning, to repair, replace or install your shingles will be covered. In all other cases, Owens Corning reserves the right to provide materials in lieu of compensation. Additionally, Owens Corning will not pay for any underlayment, metalwork, flashings or other related work and we will not pay any underlayment, metalwork, flashings or other related work.

Proration of Warranty

If your warranty period is five (5) years or less, we will prorate our liability to you based on the percentage of warranty coverage remaining as of the date on which you discover the problem. For example: If you have a twenty-five (25) year warranty (i.e., 25/300ths of the material cost at the time of purchase), see the Tru PROtection® Period Table to determine your prorated payment. If you have a warranty period of 130 MPH or 15 YRS, the prorated amount will be 60/300ths of the material cost at the time of purchase.
