WHO IS COVERED
To be eligible for this Platinum Promise™ Limited Warranty, you must live in the United States or Canada and be the original consumer purchaser (i.e., the property owner of the roof structure, not the installer or contractor) or the first transferee from the original consumer purchaser of a complete roofing system from Owens Corning. In addition, the roofing system must be installed over a clean roofing deck and not over existing shingles or other roofing materials.

WHAT IS COVERED
This warranty covers your complete Owens Corning Roofing System, which includes your Owens Corning roofing shingles, Owens Corning Hip & Ridge shingles, Owens Corning Starter Shingle products, Owens Corning ventilation products, and Owens Corning WeatherLock® Self-Sealing Ice & Water Barrier products. Workmanship performed installing the Owens Corning products is also covered.

WORKMANSHIP TERMS
This warranty covers workmanship for a period of time as described in the terms below. Workmanship includes any defective application of the product. The Workmanship Terms are only valid if the Owens Corning product is installed by an Owens Corning Platinum Preferred Contractor, per the terms and conditions of the Platinum Promise Limited Warranty requirements.

LIMITED WARRANTY
Owens Corning warrants to you, the registered property owner of an Owens Corning Roofing System, that Owens Corning will compensate you in accordance with this warranty if:
1. Your Owens Corning Roofing System does not remain free from manufacturing defects for the warranty term stated below or there are application errors in your Owens Corning Roofing System that adversely affect its performance during the Workmanship Protection Period, or
2. Your Owens Corning Roofing System is damaged by winds up to the maximum windspeed listed below or your shingles fail to seal after the thermal sealing process should have occurred,
3. You purchased shingles with Algae Protection and algae growth causes a pronounced discoloration of your shingles during the first fifteen (15) or ten (10) years.

WARRANTY DETAILS
Your exclusive remedy for any part of your Owens Corning Roofing System that does not perform as stated above is:

1. Platinum Promise™-100% Coverage,
   a. Workmanship Protection Period. During the Workmanship Protection Period, if any part of your Owens Corning Roofing System is found to have an application defect or there are application errors in your Owens Corning Roofing System, Owens Corning will arrange to have your roof repaired or replaced or, at its sole option, will provide you with replacement roofing products and reimburse you for the full reasonable cost of labor and other materials to repair or recover your roof, including flashings at valleys, dormers, chimneys and plumbing vents. The costs of labor to tear off any or all of your Owens Corning Roofing System and disposal are included, if necessary, to repair your roof.
   NOTE: First Two Years. If your claim arises out of an application error which is discovered or discoverable within the first two years after installation, it is the obligation of your Platinum Preferred roofing contractor to make all necessary repairs. In the event that your roofing contractor is unable or unwilling to perform these repairs, Owens Corning will arrange to have your roof repaired.
   b. Tru PROtection® Product Coverage. During the non-prorated period of this warranty, we will pay 100 percent of material and labor costs to repair or replace defective shingles. See the chart for the specific Tru PROtection® coverage that applies to your shingles.

Under the Platinum Promise Limited Warranty, VentSure® roofing products share the Tru PROtection coverage period of the shingle that they are installed with. For example, if a VentSure Roof Vent is applied with a 30-year shingle, the vent will be warranted for a non-prorated Tru PROtection coverage period of fifteen (15) years. After those fifteen (15) years, the Roof Vent will revert back to the standard warranty (1 year), which means its warranty will have expired. If a VentSure Rigid Strip Roof Vent is applied with a 30-year shingle, the vent will be warranted for a non-prorated Tru PROtection coverage period of fifteen (15) years. After those fifteen (15) years it will revert to the standard warranty (20 years) and have five (5) years of materials-only coverage remaining under the prorated warranty.

2. Balance of Warranty After Workmanship Protection Period and Tru PROtection Period Expiry. After the Workmanship Protection Period, misapplication is not covered. The remainder of your warranty will cover manufacturing defects only if you have a manufacturing defect. Owens Corning will provide you with the replacement roofing products and reimburse you for the reasonable cost of labor and other materials to repair or recover your roof, including flashings at valleys, dormers, chimneys and plumbing vents based upon a prorated basis. Proration reflects the amount of use you have received from your roof. The percentage it will be prorated against the Dollar/ Sq. Value is shown above. The amount of use (or proration) is calculated by dividing the number of years which have elapsed since installation by the number of years in the warranty term.

Years of Service | Proration Adjustment | Years of Service | Proration Adjustment
--- | --- | --- | ---
11-14 | 80% | 27-28 | 45%
15-16 | 75% | 29-30 | 40%
17-18 | 70% | 31-32 | 35%
19-20 | 65% | 33-34 | 30%
21-22 | 60% | 35-40 | 25%
23-24 | 55% | 41-50 | 20%
25-26 | 50% | 51-Lifetime | 10%

3. For Wind Damage (12-year coverage, 15-year coverage for Duration® Series shingles). If your shingles have been applied for less than one (1) year, Owens Corning’s contribution will be either the cost of cleaning your shingles or the cost of repairing or recovering your shingles, up to a maximum of the original installed cost of the affected shingles.

4. For Algae Discoloration (15- or 10-year coverage depending on the type of Algae Resistance shingle purchased). See product literature for details on availability and length of Algae Resistance coverage.

a. If your shingles have been applied for less than one (1) year, Owens Corning’s contribution will be either the cost of cleaning your shingles or the cost of repairing or recovering your shingles, up to a maximum of the original installed cost of the affected shingles.

b. For the next nine (9) or fourteen (14) years, Owens Corning’s contribution will be based upon the Dollar/ Sq. Value listed in this warranty, reduced by the amount of value you have received from your shingles. Decisions as to the extent of repair, recovery or cleaning required and the reasonable cost of such work will be made solely by Owens Corning. The remedy under this warranty is available only for those parts of your Owens Corning Roofing System actually exhibiting algae growth at the time of settlement. Any replacement Owens Corning Roofing System product will be warranted only for the remainder of the original warranty period. Owens Corning reserves the right to discontinue or modify its shingles, including the colors available, so any replacement shingles may not be an exact match for the shingles on your roof.

- Woodcrest® 100 MPH warranty requires that Hip & Ridge shingles have 4 nail and 6 spots of asphalt roof cement.
- 100 MPH warranty is available ONLY when a product is installed using 6 nails per shingle, and b) product is installed with High Ridge or High Step® Hip & Ridge shingles using 4-nail application. Otherwise, wind warranty is 50 MPH when standard nailing application is used.
- 130 MPH warranty applies ONLY when a product is installed using 6 nails per shingle, and b) product is installed with WeatherGuard® HP Hip & Ridge shingles using 4-nail application.
- Maximum warranty replacement cost for shingles and labor to install. For steep slope roofs (greater than 6° or less than linear foot), add $100 for additional labor.
- 50-Year Limited Warranty for commercial or multi-family structures.
- The Proration and workmanship coverage for commercial or multifamily structures is 15 years.

TRANSFERABILITY
The Platinum Promise Limited Warranty may only be transferred one time, provided that the second property owner notifies Owens Corning in writing and pays the $100.00 transfer fee within sixty (60) days after the property transfer has occurred. If the transfer takes place within the Workmanship Protection Period (twenty [20] or fifteen [15] years dependent upon the shingle selected), the balance of the remaining Workmanship Protection Period will transfer to the second property owner. However, if the transfer takes place after the Workmanship Protection Period, workmanship is not covered and only manufacturing defects will be covered at a prorated adjustment as outlined in the “Warranty Details” section of this warranty.
THE LIFETIME WARRANTY PERIOD IS ONLY AVAILABLE TO INDIVIDUAL HOMEOWNERS. THE WARRANTY PERIOD FOR SHINGLES INSTALLED ON PROPERTIES NOT USED BY INDIVIDUAL HOMEOWNERS AS THEIR RESIDENCE IS LIMITED TO FIFTY (50) YEARS FOLLOWING THE INSTALLATION OF THE SHINGLES. ALL OTHER STRUCTURES AND PROPERTY OWNERS (E.G., CORPORATIONS, GOVERNMENTAL AGENCIES, PARTNERSHIPS, TRUSTS, RELIGIOUS ORGANIZATIONS, SCHOOLS, CONDOMINIUMS, HOMEOWNER ASSOCIATIONS OR COOPERATIVE HOUSING ARRANGEMENTS, APARTMENT BUILDINGS, AND ANY OTHER TYPE OF BUILDING OR PROPERTY NOT OWNED BY INDIVIDUAL HOMEOWNERS) AND LIMITED WARRANTY TRANSFERRABLES ARE LIMITED TO A 50-YEAR WARRANTY PERIOD.

AFTER YOU HAVE TRANSFERRED THIS WARRANTY TO THE PURCHASER OF YOUR PROPERTY, IT MAY NOT BE TRANSFERRED AGAIN. THAT IS, THE PURCHASER OF YOUR PROPERTY MAY NOT TRANSFER THIS WARRANTY TO ANY SUBSEQUENT PURCHASERS.

IF THIS WARRANTY IS INITIALLY REGISTERED BY A BUILDER, THE BUYER OF THE PROPERTY MUST NOTIFY OWENS CORNING IN WRITING WITHIN THIRTY (30) DAYS OF TAKING TITLE TO THE PROPERTY FOR COVERAGE TO BE TRANSFERRED. FOR THE PURPOSES OF TRANSFERABILITY, THE BUYER WILL BE CONSIDERED THE FIRST PROPERTY OWNER UNDER THIS WARRANTY.

WHAT IS NOT COVERED

If the shingles that you purchased were not specifically labeled as “Algae Resistant”, Owens Corning will not be liable for and this warranty does not apply to:

1. Damage to your Owens Corning Roofing System resulting from anything other than a manufacturing defect in the Owens Corning Roofing System products on your roof, their misapplication or their failure to seal, such as:
   a. Subsequent structural changes or alterations to your roof, such as installation of equipment on your roof (for example, solar heating or air conditioning equipment or TV antennas).
   b. Inadequate attic ventilation or application of shingles directly to insulation or to an insulated deck.
2. Damage to your Owens Corning Roofing System resulting from causes beyond normal wear and tear, such as:
   a. Acts of nature, such as hail, strong storms or winds over the maximum wind speed listed in this warranty, or ice damming above the area covered by leak barriers or above flashings.
   b. Impact of foreign objects or traffic on the roof.
   c. Improper storage or handling of any roofing products.
3. Shading or variations in the color of your shingles, or discoloration or contamination caused by fungus, algae (unless your shingles were sold with Algae Protection) or other contaminants.
4. Damages caused by, or the cost to repair or replace, products not supplied by Owens Corning, except for those specifically included above.
5. Improperly designed or installed gutter or downspout systems.

SOLE AND EXCLUSIVE WARRANTY

THIS WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. This written warranty is your exclusive warranty from Owens Corning and represents the SOLE REMEDY available to any property owner of Owens Corning’s roofing products. Owens Corning makes NO OTHER WARRANTIES OR REPRESENTATIONS OF ANY KIND other than that stated herein. Owens Corning WILL NOT BE LIABLE IN ANY EVENT FOR CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES OF ANY KIND, including DAMAGE TO THE INTERIOR OR EXTERIOR OF ANY BUILDING, whether for breach of this warranty, negligence, strict liability in tort, or for any other cause. Some states do not allow the exclusion or limitation of incidental or consequential damages so the above exclusions or limitations may not apply to you.

NO MODIFICATIONS TO THIS WARRANTY

This warranty may not be changed or modified. No one, including any representative or employee of Owens Corning, has authority to assume any additional liability or responsibility for Owens Corning in connection with your roofing products except as described in this warranty. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

CLAIMS PROCESS

To make a claim under this warranty, you need to do so within thirty (30) days after you discover the problem.

To place a claim, simply contact us at www.owenscorning.com, call 1-800-ROOFING, or send a letter to:

Owens Corning
ATTN: Customer Response Center
Platinum Promise® Limited Warranty Administrator
One Owens Corning Parkway
Toledo, OH 43659

Explain the problem and include your warranty registration number, which you will find in your acceptance letter. Shortly after we receive your communication, we will contact you regarding your claim and walk you through the entire process. To fully evaluate your claim, we may ask you to provide, at your expense, pictures of your roofing system components and/or component samples for us to test. If you have any questions, do not hesitate to write us at the address above, visit our Web site at www.owenscorning.com or call 1-800-ROOFING.

ELIGIBILITY REQUIREMENTS FOR THIS WARRANTY

To be eligible for this warranty, you must follow these requirements:

1. Your roofing system must be installed by an Owens Corning Platinum Preferred Contractor who is authorized by Owens Corning to register the Owens Corning Platinum Promise Limited Warranty. Platinum Preferred Contractors shall install the roof as per the specifications outlined in 2-6 below.
2. Your roofing system must be installed according to installation requirements published by Owens Corning and in accordance with all generally accepted good roofing practices (using NRCA standard application guidelines) and all local building code requirements which are in effect at the time of installation.
3. The roofing system must not be installed over an existing roof—all existing materials must be removed to the deck. All rotten or damaged wood fascia, trim, or decking must be replaced, and decking must conform to APA recommendations.
4. You must use Owens Corning asphalt shingles.
5. You must use all three of the following:
   a. Owens Corning VeriSure ventilation ridge vents or cull ridge vents in conjunction with adequate soffit ventilation, and the roofing system ventilation must meet FHA Minimum Property Standards.
   b. Owens Corning Hip & Ridge shingles that conform to the number of warranty years in the field of the roof Supreme® shingles may be used for ridge on 20- or 25-year applications. Prominence® shingles can be used for Prominence only. For 30-year and longer shingle warranties, High Style® Hip & Ridge, High Ridge Hip & Ridge, or Perforated Hip & Ridge shingles are required.
   c. Owens Corning WeatherLock® Self-Sealing Ice & Water Barrier products in valleys and around dormers, sidewalls, firewalls, chimneys and plumbing vents. In addition, in the North (see map), Owens Corning WeatherLock® Ice & Water Barrier products must also be used at all eaves to at least 24” inside of the warm wall. In the South and the Northwest (see map), Owens Corning WeatherLock® Ice & Water Barrier products are optional and highly recommended (but not required unless dictated by local building code) to be used at all eaves as further protection against wind-driven rain. Owens Corning WeatherLock® Ice & Water Barrier products are optional and highly recommended (but not required unless dictated by local building code) to be used at all roof rakes and other vulnerable leak areas.

6. You must use underlayment felts that meet ASTM D-226 or Owens Corning Fiberglas® Reinforced Felt Underlayment.
7. New metal flashing(s) and drip edge must be installed. Step flashing is required for sidewall and chimney applications. Counter-flashing is required per NRCA guidelines where applicable.
8. During installation, the Platinum Preferred Contractor will ensure that all required details and flashings are correctly installed as per the Owens Corning and NRCA requirements. Upon completion, your roofing system must be inspected by the installing contractor and determined to be in compliance with the above-listed Eligibility Requirements numbered 1-7.

Exceptions to the above requirements must be noted in the “Owens Corning Roofing System Warranty Exceptions Addendum” form. If any exceptions are noted and approved prior to registration of the warranty, Owens Corning will issue a warranty, but Owens Corning will not assume liability for any roofing problems related to the exceptions noted. In addition to complying with the requirements above, your contractor must complete the warranty registration process within ninety (90) days of completing the installation, including submission of an approved “Owens Corning Roofing System Warranty Exceptions Addendum” Form along with the appropriate registration fee.
PLATINUM PROMISE™ LIMITED WARRANTY ONE-TIME TRANSFER

To transfer your Owens Corning Platinum Promise™ Limited Warranty to the buyer of your property:

1. Both the seller and purchaser must complete the Transfer Card on the back side of this flap.
2. Transfer Card must be accompanied by a one hundred dollar ($100.00) transfer fee.
3. Transfer registration must be completed within sixty (60) days after the real estate transfer date.
4. The Platinum Promise Limited Warranty may be transferred only one (1) time at any time during the life of the warranty. Subsequent buyers do not qualify.
5. Send Transfer Card and fee to:

Owens Corning
Roofing and Asphalt, LLC
Attn: Platinum Promise® Warranty Administrator
P.O. Box 69071
Charleston, WV 25334
Thank you for your recent purchase of an Owens Corning Roofing System. We believe we manufacture the highest quality and most attractive roofing systems available anywhere, and that is why we stand behind them with one of the best warranties in the industry.

We have attempted to write this warranty in clear, plain-English terms, including the limitations and restrictions, so you will fully understand the warranty we are making to you. However, if anything in this warranty is not clear to you, please visit our Web site at www.owenscorning.com or call 1-800-ROOFING.
For more information on Owens Corning roofing products, or any of our wide range of building products and systems, it's easy to reach us:
