WHO IS COVERED
To be eligible for this System Advantage™ Platinum Roofing Limited Warranty, your property must be located in the United States and you must be the original consumer purchaser (i.e., the homeowner, not the installer or contractor) or the first transferee from the original consumer purchaser (Owner) of a complete Owens Corning™ Roofing System (Roofing System), as defined below, from Owens Corning Roofing Products and Asphalth, LLC (Owens Corning). In addition, the entire Roofing System must be installed by an Owens Corning™ Platinum Preferred Contractor (PPC) according to Owens Corning application instructions, over a clean roofing deck and not over existing shingles or other roofing materials, and must meet local building codes in order to be entitled to the benefits of this warranty.

ELIGIBILITY REQUIREMENTS FOR THIS WARRANTY
1. Your Roofing System must be installed by an Owens Corning™ PPC who is authorized by Owens Corning to register the Owens Corning™ System Advantage Platinum Roofing Limited Warranty. PPCs shall install the roof as per the specifications outlined in 2–6, below.
2. Your Roofing System must be installed according to application requirements published by Owens Corning and in accordance with all generally accepted good roofing practices (using ARMA and NRCA approved applicative guidelines) and all local building code requirements which are in effect at the time of installation.
3. The Roofing System must not be installed over an existing roof—all existing materials must be removed to the deck. All rotten or damaged wood, fascia, trim, or decking must be replaced, and decking must conform to APA recommendations.
4. For your roof to qualify as a complete Roofing System, you must have purchased and installed Owens Corning™ shingles, any No. 15 or No. 30 asphalt-saturated felt underlayment, fiberglass reinforced felt, or an equivalent synthetic underlayment, and four (4) of the five (5) products (PPCs) below.
   a. Owens Corning™ VentSure® ventilation products, in conjunction with functional eave and/or soffit intake vents.
   b. Owens Corning™ Hip and Ridge shingles.
   c. Owens Corning™ Underlayment products. These Products qualify as the mandatory No. 15 or No. 30 asphalt-saturated felt underlayment, fiberglass reinforced felt, or an equivalent synthetic underlayment, and four (4) of the five (5) products above.
   d. Owens Corning™ Starter Shingle products, and
   e. Owens Corning™ WeatherLock® Self-Sealing Ice & Water Barrier Products.
5. New metal flashing(s) and drip edge must be installed. Step flashing is required for sidewall, front walls and chimney applications. Counter flashing is required for functional eave and/or soffit intake vents.
6. During installation, the PPC will ensure that all required details and flashings are correctly installed as per Owens Corning and NRCA requirements and in compliance with the above-listed Eligibility Requirements numbered 1–5.

Exceptions to the above requirements must be approved in writing by Owens Corning prior to registration of the warranty.

WHAT IS COVERED
We warrant that your Owens Corning™ Roofing System is free from any manufacturing defects that materially alter their performance on the roof, and from any defective workmanship of the Owens Corning™ Roofing System. The Workmanship Terms are only valid if the Owens Corning™ Roofing System is installed by a PPC, under the terms and conditions of the System Advantage Platinum Roofing Limited Warranty requirements.

SYSTEM ADVANTAGE PLATINUM ROOFING LIMITED WARRANTY
During the System Advantage Platinum Workmanship Period, if any part of your Roofing System is found to have an application defect or there are application errors on your Roofing System, Owens Corning will arrange to have your roof repaired or recovered or, at its sole option, will provide you with replacement roofing products and issue Compensation (definition in “COMPENSATION” section below) for the full reasonable cost of labor and other materials to repair or recover your roof, including flashings at valleys, dormers, chimney, and plumbing vents, the costs of labor to tear off some or all of your Roofing System and disposal are included if necessary, to repair your roof. Workmanship Period is outlined in the “Limited Warranty Information Table.”

NOTE: First Two (2) Years. If your claim arises out of an application error which is discovered or discoverable within the first two (2) years after installation, it is the obligation of the PPC who installed your Roofing System to make all necessary repairs. In the event that your roofing contractor is unable or unwilling to perform these repairs, Owens Corning will arrange to have your roof repaired.

HOW LONG ARE YOU COVERED
The length of your warranty depends on the type of Owens Corning™ Shingles you purchased. See the “Limited Warranty Information Table” at the end of this warranty to determine the warranty period and the pro rata portion of your warranty that applies if your Roofing System is replaced or if your Roofing System has defects that result in a repair or roof, this warranty will be unaffected, as long as the repair is done by an Owens Corning™ PPC, and will continue to provide you with coverage on your entire Roofing System provided that Owens Corning™ Products are used in the repairs. However, if you make a claim that results in your entire Roofing System being removed and replaced, this warranty will be void if new Owens Corning™ Shingles are installed, you will then receive an Owens Corning™ Standard Limited Warranty. However, if you once again install an entire Roofing System, you will be eligible to purchase a new System Advantage Platinum Roofing Limited Warranty, as long as the new Roofing System is installed by an Owens Corning™ PPC per the Eligibility Requirements.

TRU PROTECTION PERIOD
During the TRU PROtection period of this warranty, our Compensation to you will be one hundred percent (100%) of material and labor costs as reasonably determined by Owens Corning, to repair, replace or recover defective shingles, including the cost of tear-off, and disposal subject to certain limitations. See the “Limited Warranty Information Table” at the end of the warranty for the specific TRU PROtection period that applies to the Owens Corning™ Shingles you have purchased.

Under this System Advantage Platinum Roofing Limited Warranty, all Owens Corning™ Roofing Products (see “Eligibility Requirements for this Warranty” portion of this warranty for products) with the exception of Powered Roof Vents, share the TRU PROtection period concurrent with the shingle installed. At the expiration of the TRU PROtection period, all Roofing Essentials Products revert to the coverage specified by their standard warranties.

Under the System Advantage Platinum Roofing Limited Warranty, if a cut of Owens Corning™ Supreme Shingle is used instead of Owens Corning™ Hip & Ridge shingles, the warranty term for the TRU PROtection period for the Supreme Shingle is fifteen (15) years. It does not assume the warranty term for shingles used on the balance of the roof, unless the entire roof is installed with Supreme Shingles. The TRU PROtection period applicable to the Supreme Shingle will apply to Wind and Algae coverage. Please see “What About Wind Resistance” and “What About Algae Resistance” portions of this warranty for applicable coverage.

2. PRORATED PERIOD
Once the TRU PROtection period of this warranty has expired, the prorated period will begin. Material and labor will be covered, according to the number of years you have used from the original installation date through the date of your claim, and reduce the amount of our Compensation to you accordingly. That is, we will prorate the amount of our Compensation to you through the date of your claim for any manufacturing defects that cause leaks for the balance of the applicable warranty period. For example: if you have a twenty-five (25) year warranty (i.e., 300 months) and you make a claim in the last month of the twentieth (20th) year of the warranty (i.e., the 240th month), our Compensation will be 20% of the cost to repair or replace your roof. For lifetime shingles coverage, see the “Lifetime Shingle Proration Table” below for the prorated formula after the TRU PROtection coverage expires for lifetime shingles.

3. OTHER TYPES OF STRUCTURES
The coverage for all Owens Corning™ shingles offered by this warranty applies only to single-family detached homes. In the instance of shingles purchased or installed upon property owned by, for example, corporations, governmental agencies, partnerships, trusts, religious organizations, schools, condominiums or cooperative housing arrangements, or institutional building boards, at the option of the manufacturer and in the case of any other lifetime shingles not used by individual homeowners as their residence, the warranty period for Oakridge™ shingles will be forty (40) years and all other lifetime shingles will be fifty (50) years from the original installation date of the shingles, and the TRU PROtection period will be twenty (20) years. Please see the “Lifetime Shingle Proration Table” below for the prorated formula after the TRU PROtection coverage expires for lifetime shingles.

4. EXCEPTIONS
At all times, Owens Corning’s obligation of Compensation for repair, replacement or prorated portion of original purchase price of the defective Roofing System is subject to certain limitations.

5. WHAT ABOUT WIND RESISTANCE
Your shingles contain asphalt sealant that requires direct warm sunlight for several days in order to seal properly (Thermal Sealing). If your shingles are not properly sealed, your roof is more vulnerable to blow-offs and wind damage. This is the fundamental nature of shingles and not a manufacturing defect, and we are not responsible for any blow-offs or wind damage that may occur prior to Thermal Sealing having occurred. After your shingles have achieved Thermal Sealing, however, they will be covered under this warranty if they experience blow-offs or wind damage in winds up to the levels listed in the chart at the end of this warranty. HOWEVER, THE COVERAGE AGAINST SHINGLE BLOW-OFFS OR WIND DAMAGE IS IN EFFECT FOR A PERIOD OF FIFTEEN (15) YEARS FOR LIFETIME SHINGLES, AND TWELVE (12) YEARS FOR SUPREME SHINGLES, FROM THE ORIGINAL DATE OF INSTALLATION. Owens Corning will be liable only for the reasonable cost of replacing blown-off shingles (to include material and labor) and the reasonable cost of manually sealing the unsaled areas on the roof. After fifteen (15) years for lifetime shingles and twelve (12) years for Supreme Shingles, from date of installation, Owens Corning Shingles and, if applicable, Owens Corning Hip & Ridge shingles plus the cost of labor to replace all existing portions of shingles above the Owen Corning™ Shingles, Owens Corning™ Hip & Ridge shingles and labor. We will take into account the number of months of use you have experienced from the original installation date, through the date of your claim, and reduce the amount of our Compensation to you accordingly.

6. WHAT ABOUT ALGAE RESISTANCE
If the shingles that you purchased are not specifically labeled as “Algae Resistant” (AR), then any discoloration caused by algae is not covered by this warranty as explained in the section below, “What Is Not Covered.” However, if you purchased AR shingles, they are covered for...
Our warranty does not cover damage to the Owens Corning™ Shingles or Products due to any defect that causes leaks during this two (2) year period, our Compensation to the second (2nd) Owner will be based only on the reasonable cost of the replacement Roofing System reduced by the amount of use enjoyed through the date of your claim. Other Types of Conditions

You can transfer this warranty one (1) time, anytime during the life of the warranty for this warranty to be transferred, the new Owner must complete and return the attached warranty transfer card, within sixty (60) days after the real estate transfer takes place. If the transfer takes place within the first fifteen (15) years for Supreme Shingles or twenty-five (25) years for lifetime shingles, the second Owner is entitled to the same coverage as the original Owner. If the transfer occurs after the first fifteen (15) years for Supreme Shingles or twenty-five (25) years for lifetime shingles, the balance of this warranty shall be reduced to a two (2) year period after the date of ownership change. If there is a manufacturing defect that causes leaks during this two (2) year period, our Compensation to the second (2nd) Owner will be based only on the reasonable cost of the replacement Roofing System reduced by the amount of use enjoyed from the original installation date through the date of your claim.

WHAT IS NOT COVERED

Our warranty does not cover damage to the Owens Corning™ Shingles or Products due to any cause not expressly covered herein. After your shingles or Products leave our manufacturing facility, they are subject to conditions beyond our control that could affect their performance. This warranty does not cover any problems with nondefective shingles or Products caused by conditions or handling beyond our control. Some examples of conditions not covered by this warranty include:

1. Acts of God, such as hail, strong storms or winds over the maximum wind speed listed in the chart at the end of this warranty, or ice damming above the area covered by leak barrier or flashings;
2. Damage to or failure of the Roofing System as a result of damage to or failure of the underlying roofing structure;
3. Foot traffic on your roof or damage caused by object(s) (e.g., tree branches) falling on your roof;
4. Shading, or variations in the color of your OwensCorning™ Hip & Ridge shingles or discrimination caused by algae, fungi, lichen or moss; (under warranty covered under the section “What About Algae Resistance” above);
5. Faulty installation of your Roofing System by an installer other than an Owens Corning™ PPC;
6. Inadequate ventilation or roof drainage. Some exceptions may apply. If you have questions, please call us at 1-800-ROOFING;
7. Settlement of the structure of your property or buckling or cracking of the deck over which your Roofing System is installed;
8. Damage to the Roofing System caused by alterations made after completion of application, including structural changes, equipment installation, painting or the application of cleaning solutions, coatings, or other modifications;
9. Improper storage, handling or other conditions beyond our control;
10. Damages caused by, or the cost to repair or replace, any non-Owens Corning™ Shingles or products;
11. Improperly designed or installed gutter or downspout systems; and
12. Any costs that you incur which are not authorized in advance by Owens Corning.

REPLACEMENT SHINGLE VARIATION

As a result of our ongoing efforts to improve and enhance our shingle and Product line, we must reserve the right to discontinue or modify our shingles and Products, including their colors. We are not responsible for any variations in the color of your Owens Corning™ Shingles and Products, or any potential color differences with your original Owens Corning™ Shingles and Products you receive vary in color either because of normal weathering or changes in our shingle or Product line. You should understand that if we replace any of your shingles or Products under this warranty, we reserve the right to provide you with substitute shingles and Products that are comparable only in quality and price to the original shingles and Products.

COMPENSATION

Under the terms of this Limited Warranty, the manner of Compensation is at Owens Corning’s sole discretion and may be issued in the form of cash settlement and/or material credit to an existing application of Owens Corning™ Roofing materials. Owens Corning retains the right to provide materials in lieu of compensation. All costs must be pre-approved by Owens Corning. The promised material cost will be determined by the cost of the Roofing System at the original time of purchase.

CLAIMS PROCESS

To make a claim under this warranty, you need to do so within thirty (30) days after you discover the problem. Just call us at 1-800-ROOFING or visit our Web site at http://roofing.owenscorning.com. To fully evaluate your claim, we may ask you to provide, at our discretion, samples or images of your roof or any portion of your roof to test. If you have any questions, do not hesitate to call 1-800-ROOFING or visit our Web site at www. roofing.owenscorning.com.

LIMITATIONS

THIS WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES, CONDITIONS, REPRESENTATIONS AND GUARANTEES, WHETHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WHETHER BY STATUTE, AT LAW OR IN EQUITY AND IS LIMITED IN LENGTH TO THE EXPRESS WARRANTY PROVIDED ABOVE UNLESS A SHORTER PERIOD IS PERMITTED BY LAW. THIS WRITTEN WARRANTY IS YOUR EXCLUSIVE WARRANTY FROM OWENS CORNING AND REPRESENTS THE SOLE REMEDY TO ANY OWNER OF OWENS CORNING™ SHINGLES. OWENS CORNING MAKES NO OTHER REPRESENTATIONS, WARRANTIES OR GUARANTEES OF ANY KIND OTHER THAN THOSE STATED EXPLICITLY HEREIN. YOUR REMEDY FOR DEFECTIVE SHINGLES IS FULLY DESCRIBED IN THE PRECEDING SECTION “HOW LONG ARE YOU COVERED?” YOU ARE NOT ENTITLED TO ANYTHING MORE THAN WHAT IS DESCRIBED IN THAT SECTION. WE ARE NOT RESPONSIBLE FOR ANY CONSEQUENTIAL DAMAGES, INCLUDING DIRECT, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR OTHER DAMAGES OF ANY KIND INCLUDING DAMAGE TO YOUR STRUCTURE OR TO YOUR STRUCTURE’S CONTENTS. WHETHER FOR BREACH OF THIS WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER CLAIMS DERIVED IN TORT OR ANY OTHER CAUSE.

Some states do not allow limitations on how long an implied warranty lasts and/or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.
