Voice Call Center

Turns calls into revenue:

First impression matters

- Our team is based in the US
- We recruit the top 1% of the talent pool
- 80+ hour empathy and accuracy training required for all agents
- Daily monitoring and scoring to keep our standards in check

Connect from chat to call

- More than 100K chats requests to call connect
- Turn chat conversations into prompt phone calls to increase conversion
- Design an omnichannel customer acquisition funnel to cater to your customers needs

No robocalls

- 30% of incoming calls are from marketers
- Sort through the white noise and focus on moving your phone leads forward
- Phone leads delivered directly into your CRM and calendar as a booked appointment

Designed to answer for your customers needs

- 80% of calls answered in 30 seconds
- Call Connect
- Call Routing
- Outbound Calls
- Overflow Service
- Rapid Callback
