

## PRODUCT TRANSPARENCY **GREENGUARD AND GREENGUARD GOLD**

UL GREENGUARD Certification means a product has met comprehensive standards for low emissions of volatile organic compounds (VOCs) into indoor air. The UL GREENGUARD Gold standard includes health-based criteria for additional chemicals and requires lower total VOC emissions levels. Products meeting UL GREENGUARD Gold requirements are qualified for use in environments such as schools and healthcare facilities.

Owens Corning® GREENGUARD Gold Certified products include (US location only unless otherwise noted):
