

PRODUCT TRANSPARENCY

SAFETY ACT

Several of Owens Corning® Thermafiber® mineral wool insulation products and their supporting design and installation services have earned SAFETY Act Designation, retroactive to January 1, 2006, from the U.S. Department of Homeland Security. Use of these products and services will provide building owners and professionals with liability protection in the unfortunate event of an act of terrorism on their structure. Owens Corning is the first insulation manufacturer to be listed publicly with the Department of Homeland Security as having qualified technology carrying the SAFETY Act Designation.

Owens Corning® Thermafiber® products with the SAFETY Act designation in various applications are:

- Thermafiber® FireSpan® 90 & 40
- Thermafiber® Safing
- Thermafiber® Impasse® Insulation Hanger System
- Thermafiber® SAFB™ (Sound Attenuation Fire Blanket)
- Thermafiber® TopStop®
- Thermafiber Insolutions® Design and Installation Services

More information can be found in the [brochure](#) and [FAQ](#) documents.
