

STRETCH YOUR BUDGET AND MATERIALS WITH NEW, IMPROVED LOOSEFILL FABRIC

The loosefill insulation you love is now even better. ProPink Complete Loosefill Fabric offers the same durability and air permeability you count on — but with less stretch, making it easier to install — without overfilling. The enhanced fabric delivers improved durability, faster installation*, and higher quality to extend your materials and budget.

Features

- Faster installation*
- Free top loading
- Less stretch with same great air permeability
- Class A fire rated
- Inspect-R® Gauge provides quick, non-invasive R-value for the cavity, ensuring the correct R-value without overblowing the cavity (up to 20% on average).
- Custom company printing options available

*Based on customer trials, October 2021
