

ROOF GAWKING™ – YOUR GUIDE TO CHOOSING THE PERFECT SHINGLE COLOR

Use this checklist to discover the best shingle color options for your home's exterior and your personal style.

Step

1

GO FOR A WALK OR A DRIVE

Walk or drive around the neighborhood and note what makes you stop and stare!

- Scout the neighborhood
- Browse online gallery

Step

2

ASSESS YOUR CURB APPEAL

Your roof is up to 40% of what you see, which means at least 60% is other exterior elements.

- Browse style boards
- Browse color palettes

Step

3

EXPERIMENT ONLINE

Use our Design EyeQ® Visualization tool to “try on” shingle colors on a photo of your home.

- Upload home photo
- Try different shingle colors

Step

4

GET EXPERT INSIGHT

Want more help? Owens Corning Color Consultants are experts in coordinating shingles with exterior designs.

- Call 1-800-GET PINK and ask for a Color Consultant

Step

5

ORDER SHINGLE COLOR POSTERS

See how well your favorites complement the rest of your exterior design before you meet with a contractor.

- Use QR code to Order sample poster(s)
- Follow instructions included
