ROOF SCOUT®

Put roofing sales on autopilot with Scout—your digital sales agent!

How it helps:

More than an animated character, Scout is an engaging, online dealmaker that transforms in-person sales into round-the-clock e-commerce. Scout thoughtfully guides homeowners through every step of the product selection process.

He emphasizes how underlayments help seal out moisture. He presents shingle options to maximize curb appeal while helping defend against the elements. He demonstrates how proper ventilation helps assure their roof can breathe.

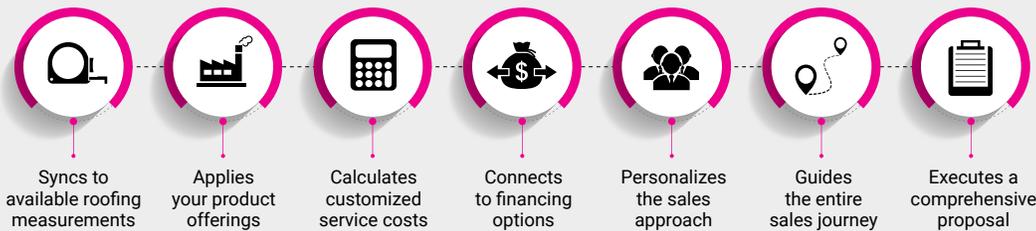

When he's finished, your customers are ready to sign a comprehensive quote customized to your pricing.

roofscout®

Designed exclusively for Owens Corning Contractor Network members.

How it works:

Scout transforms manual, in-person sales into automated e-commerce in one innovative, highly adaptive experience.

OCCRAFT VR TRAINING

OCU Virtual Reality (VR) enables you to train installers like they're on the roof without leaving the ground.

How it helps:

This revolutionary OCCraft training approach helps you:

TRAIN SMART

Trainees interact with what they'll see on the jobsite. It means they'll be less likely to feel overwhelmed in real life which increases retention rates. It also helps improve consistency and workmanship across crews, knowing they're installation-ready before arrival.

TRAIN FAST

The ease of VR training means faster onboarding and less downtime for new hires. It helps eliminate the learning curve before installers even step foot on a jobsite.

TRAIN SAFE

Most importantly, VR users can repeat trainings in a safe environment, increasing their confidence on the jobsite without risking injury or damage.

SHINGLE RECYCLING

As a member of the Owens Corning Contractor Network, you are eligible to take the Shingle Recycling Pledge and commit to recycle old shingles if it is a viable option in your area.

How it helps:

Each year in the United States, approximately 10 million tons* of recyclable shingles are removed from the roofs of homes and buildings. When homeowners choose a roofing contractor who is able to recycle torn off shingles, they're helping the environment in two ways: old shingles don't end up in a landfill, and they get repurposed as pavement!
