

COMPARE THE COVERAGE.
CEE THE DIFFERENCE.

As an Owens Corning® Certified Energy Expert® (CEE) professional, we are uniquely backed by Owens Corning to offer the CEE Limited Lifetime Warranty when installing the most trusted insulation brand.*

Owens Corning feels so confident in its product and our expert installation that this warranty covers both the products we install plus our workmanship. Every homeowner receives a warranty card that can be transferable to future homeowners for the lifetime of the home.**

And when we say it's the best warranty in the industry for homeowners, we mean it! See how the Owens Corning CEE Limited Lifetime Warranty stacks up against the competition.

NO MATERIAL IS MORE TESTED — NO BRAND IS MORE TRUSTED.®

Owens Corning® Fiberglas™ insulation helps builders meet today's stringent energy codes with safety, precision and sustainability — so homeowners can enjoy proven performance, without the added cost associated with other materials. Plus, both builders and homeowners alike can enjoy the peace of mind that comes with using the most tested, most trusted[1] insulation available.

Work with Your Local Owens Corning® Certified Energy Expert® Professional

We're trained and certified by Owens Corning to help builders achieve exceptional performance with safe, high-performing insulation solutions. Working with us means you can expect:

- ✓ **Advanced expertise:** Optimized energy solutions help set your homes apart.
- ✓ **Elite installers**: Industry-leading trained and certified crews with exceptional quality standards.
- ✓ **Limited lifetime warranty:** Homeowners can enjoy an unmatched limited lifetime warranty on both the qualifying products and workmanship[3].

Have warranty questions? We can help.
